(Designation) Principal, Govt. Indian Medical School.

To The Secretary to the Government of Madras,

EDUCATION & PUBLIC HEALTH Department.

Sir,

(M)

I have the honour to state as follows:

In G.O.No. Ms. 1293 PH dated 30.3.1940 the Government sanctioned subsidy for a midwife to be employed at the Rural Ayurvedic Dispensary at Kudatini in the Bellary District. There are no duly qualified and registered midwives in the waiting list maintained in this office. The President, District Board and the District Medical Officer, Bellary who were written to, have also not been able to recommend registered midwives for filling up the vacancy. The President, District Board, however, has recommended the employment of Miss Jane Venkaiah who

has

has come out successful in the last examination in Midwifery conducted by the duly constituted Board of Examiners. She has been directed to apply for registration at once. It may take some months before the formalities of registration are completed and certificate of registration issued. As the President, District Board is urging for the filling up of the post from 1.6.1940 and it is very desirable in the interests of the Public to post a qualified mid wife with least possible delay I request that the Government may be pleased to sanction under section 10(1) of the Madras Nurses and Midwives Act 1926 the temporary employment of Miss Jane Venkaiah as Midwife at Kudatini.

I have the honour to be,

Sir,

Your most obedient servant,

A. K. C. Nurse Now
